

# **M.R.A. TERRA FEST-2024**

## **REPORT**

Moti Ram Arya Terra Fest 2024, a launch event for the celebration of 100 years of legacy in the field of education. The event was dedicated to environmental awareness, and was abuzz with enthusiasm as schools from across the region converged to celebrate Earth Day. The event, held at Moti Ram Arya Senior Secondary School, aimed to promote environmental consciousness among students through various engaging activities and competitions.

Under the theme of Earth Day, students showcased their creativity and commitment to environmental sustainability through a series of competitions, including eco-friendly art displays, environmental quizzes, face painting, farcical drama, rhythm rhapsody, PPT competitions and innovative project presentations. Participants demonstrated their understanding of pressing environmental issues and proposed solutions to address them, highlighting the importance of collective action in preserving the planet.

The event provided a platform for 250 students from reputed schools in tricity to exchange ideas, learn from each other, and inspire change within their communities. Judges praised the participants for their passion and ingenuity, emphasizing the significance of empowering the younger generation to become stewards of the environment. Prize distribution ceremony was done at the end which instilled the wave of competitiveness and joy amongst the students.

The NSS volunteers of M.R.A made significant contribution to the MRA Terra Fest on Earth Day. In addition to their efforts at the MRA Terra Fest, NSS volunteers likely extended their support by assisting students from various schools. They facilitated workshops, provided mentorship, or organized activities, hosted the event and prize distribution ceremony to engage students in understanding the importance of Earth Day and promoting environmental stewardship.

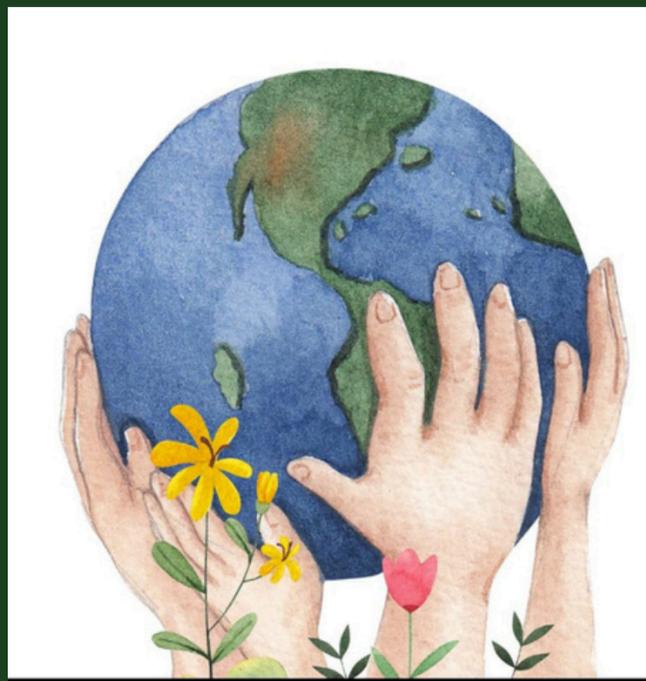

Their involvement likely fostered a sense of community and inspired young minds to actively participate in preserving the planet.

Speaking on the event, Principal, Dr. Seema Biji expressed her pride in the students' efforts and emphasized the school's commitment to fostering environmental consciousness. She stressed the importance of integrating environmental education into the curriculum to equip students with the knowledge and skills necessary to tackle environmental challenges effectively.

Moti Ram Arya Terra Fest exemplified the spirit of Earth Day by bringing together students, educators, and environmental enthusiasts to celebrate our planet and inspire action towards a sustainable future. As the world continues to grapple with environmental crises, initiatives like these play a crucial role in nurturing a generation of environmentally responsible citizens.
