

## INTERPRETIVE EXHIBITION

"Let the strokes of creativity guide your imagination as you explore our Interpretive exhibition."

Moti Ram Arya Sr. Sec. Model school, Sector 27A Chandigarh proud to announce its Interpretive Exhibition, showcasing innovative projects by students of Junior wing. The event aimed to promote curiosity and creativity among young minds.

Science, SST, English, Hindi, Maths , Punjabi and Computers exhibition showcasing projects made by the students during summer break. This initiative helps our young minds gain practical knowledge of their subjects. The students displayed their creative scientific potential in diverse arenas like- Save Tiger, Sources of energy and their conservation, Transport and communication . Students were at their innovative best as they designed their models of Computers ,Wild life sanctuary, Globes, Igloos and many more.

Students also explained their projects to other students of Junior wing and it was an interactive exhibition, question answer rounds were there and students were awarded for the correct answer.

The exhibition witnessed great enthusiasm and blooming participation from children of diverse classes, who had the unique opportunity of exploring as well as expressing their creative ideas in the form of activities, models and projects. The event gave a diverse hands-on experience to children.

On the whole, The exhibition was a great learning experience for students wherein it seemed that the world practically came alive, through the blooming projects of our young student innovators.
