19 & 20 JULY
2025

ABOUT THE SCHOOL

One of the leading co-educational schools in the tricity, Moti Ram Arya Senior Secondary Model School, Chandigarh, is a wonderful place for learning. MRA is centered around the lives of children and is dedicated to the development of their intellect and personality. Spread across a vast 9-acre campus with excellent infrastructure, the school consistently shines with outstanding results and is supported by a highly educated and experienced faculty.

M.R.A. Senior Secondary Model School, Sector 27-A, Chandigarh, and M.R.A. Modern Public School, Sector-7, Panchkula, are run by the J.B. Charitable Trust, which was founded by two philanthropic brothers, Sarvshri Jhandamal Mahajan and Sarvshri Behari Lal Mahajan, in the sacred memory of their father, Shri Moti Ram Mahajan, in Chuharmunda (West Pakistan) in the year 1924.

After partition, the entire credit for re-establishing these educational institutions goes to the late President Shri Hardyal Mahajan (1957 to November 1996), who, along with his wife Mrs. Shakuntla Mahajan (the Chief Patron of the schools), worked tirelessly with utmost devotion and dedication to further the cause of education. They are responsible for bringing these institutions to their present stature and eminence.

Our current President, Shri Anil Mahajan (since December 1996), and our Director, Mrs. Rachna Mahajan, continue to work towards the development and upliftment of these institutions with the same zeal and vigor.

At M.R.A., we help children discover their potential. The school environment inspires and equips them to become lifelong learners. Our faculty is continuously trained and encouraged to adopt the best practices in education, providing students with a strong academic foundation. Emphasis is placed not only on academic excellence but also on nurturing leadership, teamwork, and life skills—preparing students for the real world.

From the Principal's desk

Dear Delegates, Faculty, and Guests,

It is with immense pleasure and pride that I welcome you to the Moti Ram Arya Model United Nations (MRAMUN) 2025, to be held from July 19 to July 20 at our esteemed institution. As the Principal of Motiram Arya School, I am honored to extend my warmest greetings to all delegates, advisors, and participants. This year is especially significant as our school celebrates its 100th anniversary. For a century, our institution has been dedicated to providing quality education and fostering an environment of excellence, integrity, and holistic development. Our centennial celebration highlights our enduring commitment to nurturing the leaders of tomorrow. Model United Nations conferences offer an exceptional platform for young minds to engage in critical thinking, public speaking, and diplomacy. MRAMUN 2025 aims to inspire delegates to explore innovative solutions and promote international cooperation. On behalf of the entire Motiram Arya School community, I wish you all a stimulating and successful conference. May MRAMUN 2025 foster a generation of informed, empathetic, and proactive global citizens.

Warm regards,
The Principal

From the **SECRETARIAT**

We cordially invite you to take part in the third edition of the Moti Ram Arya Model United Nations, organized in collaboration with the Informative Initiative. This prestigious conference is scheduled to take place on the 19th and 20th of July, 2025, at Moti Ram Arya School. Our aim is to nurture the young minds of tomorrow, shaping leaders who are not only capable of taking the initiative but also dutifully committed to working for the benefit of humanity.

This year's conference is designed to be an immersive and transformative experience, offering a unique platform for students to engage in intellectual debates and diplomatic discussions. Participants will have the opportunity to simulate the workings of various United Nations committees, addressing some of the most pressing issues facing our world today. We offer you an opportunity to further develop critical skills in negotiation, public speaking, and resolution drafting—essential competencies for future global leaders.

We have meticulously curated a diverse range of topics that reflect current global scenarios, ensuring that delegates gain a comprehensive understanding of international relations, global governance, and diplomacy. With the invaluable support of the Informative Initiative, we have prepared extensive study guides and invited expert executive board members to enrich the learning experience of all participants. This collaboration aims to provide a robust and supportive environment that fosters creativity, critical thinking, and leadership among our delegates.

Join us on this enlightening journey on the 19th and 20th of July, 2025, as our institute embarks on a mission to inspire and educate the leaders of tomorrow. MRA MUN offers you a unique platform to express your creativity and intelligence as you deliberate upon world issues and strive to find pragmatic solutions.

Let us stand together and embrace the spirit of change as we move toward a brighter future.

Warm Regards,
The Secretariat

About Informative Initiative

Informative Initiative, established in 2023, is a dynamic educational organization committed to transforming the way students engage with the world. Specializing in training programs for public speaking, Model United Nations (MUNs), and Parliamentary Debate Competitions (PDCs), Informative Initiative equips students with the tools and confidence needed to excel in both academic and professional settings. The organization offers a wide range of courses covering current and emerging global issues, ensuring that participants are not only knowledgeable but also well-prepared to address the challenges of today's fast-paced, interconnected world.

Through interactive workshops, real-world simulations, and expert-led seminars, Informative Initiative fosters essential skills such as critical thinking, effective communication, negotiation, and leadership. Its MUN training programs immerse students in the intricacies of international diplomacy and global governance, while its public speaking courses help them articulate their ideas with clarity and poise.

Beyond training, Informative Initiative also plays a pivotal role in organizing MUN conferences, providing students with a platform to apply their skills in realistic and challenging environments. These conferences are meticulously planned to simulate the proceedings of the United Nations, offering participants hands-on experience in diplomacy, debate, and resolution drafting. By organizing such events, Informative Initiative not only enhances the educational experience but also fosters a community of motivated and engaged young leaders.

With its innovative approach and dedication to excellence, Informative Initiative has quickly become a leader in the field of educational training. By nurturing the next generation of thinkers, speakers, and leaders, it is not only enhancing individual capabilities but also contributing to the creation of a more informed, articulate, and proactive global community.
