Winner of the State Science Seminar 2024
"Artificial Intelligence: Potential and Concerns"

We are delighted to inform you about the outstanding achievement of our student, **Digvijay of Class 10**. Digvijay has emerged as the winner of the State Science Seminar 2024, held on September 3rd at SCERT Chandigarh on the theme "Artificial Intelligence: Potential and Concerns."

Digvijay's exceptional presentation showcased his deep understanding of AI and its applications. His ability to effectively communicate complex concepts to a diverse audience was truly impressive. As a result of his win, Digvijay will now represent our school at the National Science Seminar, to be held at Nehru Science Centre, Mumbai on November 20, 2024.

This achievement is a testament to Digvijay's hard work, dedication, and the quality of education he receives at the school. We are proud to have such talented students in our school.

We would also like to highlight the importance of Al education at Moti Ram Arya Sr. Sec. Model School. Our school is committed to equipping students with the skills and knowledge necessary to thrive in the digital age. We believe that Al will play a crucial role in shaping the future, and we are dedicated to providing our students with a strong foundation in this field.

We are grateful to the Parents for supporting their children. There are many resources available online and in the community that can help students develop their understanding and interest in this exciting field.
